

Alcoholics Anonymous: Cooperation with the Professional Community

The Edmonton Cooperation with the Professional Community committee of Alcoholics Anonymous would like to extend an invitation for you to attend a professional luncheon. This event is being held for those in the Edmonton professional community who are interested in learning about how Alcoholics Anonymous can help individuals within the scope of your professional practice to gain and maintain sobriety.

It is only through the kind cooperation of so many non-alcoholic professionals like you, that A.A. has more than two million members in recovery, in over 180 countries.

Our committee's work would be enhanced by your participation, and we would be delighted if you could attend this valuable and informative presentation.
