

ECO Newsletter Questionnaire: June/July 2025

The Edmonton Central Office (ECO) Communications Committee publishes a monthly newsletter called the ECO Newsletter. It is emailed to subscribers and is available to all members and the public on the ECO AA website at <https://edmontonaa.org>

The mission of the ECO newsletter is to inform the membership and carry out our primary purpose of helping the alcoholic who still suffers. It provides information about the AA program, events, meetings, service opportunities, finances at central office and includes related articles written by alcoholics.

Please provide your valuable feedback to ensure we are on track with our mission and to provide any ideas for improvement. This can be completed as an individual or group. Results will be collated, and shared with the ECO Newsletter Editor, Edmonton Central Office and Intergroup.

Please return the completed questionnaire to: **communicationchair@edmontonaa.org**
