Area 78 – Panel 76 - Delegate’s Corner – June 2026

Dave S here and I am an alcoholic.

It was truly the privilege of a lifetime for this once hopeless drunk and chronic relapser with 5 one-year medallions (who does that?) to travel to New York to the 76th General Service Conference of Alcoholics Anonymous Canada/US.

My wife Val (as a plus one) and I had the most mind-blowing spiritual experience of being in New York. Val spent time with all the plus-ones, and I was your member of the Conference for six solid, long days.

The Conference ran very smoothly with much respect, deference and decorum. I believe it was a lot smoother than the last few conferences.

A couple of tidbits of information;

1. The “Everything AA” app is now owned by Alcoholics Anonymous.
2. The 5th Edition Big Book was approved with new stories and other more updated items – you can expect it late spring or early summer 2027.

Many advisory actions and considerations were voted upon and passed at the Conference. This information is posted on the Area78.org website under private downloads. For further information, call me or speak to your GSR or DCM.

The weekend before last we were in Fort McMurray for a fun-filled Unity Day in District 21. Thanks to DCM Bev. This past weekend I had an amazing Area Committee Meeting hosted by District 1 – Fort St John, BC. In gratitude to DCM Graham and past Registrar Raymond.

Both of those northern communities are thriving with the enthusiasm of helping the still suffering alcoholic and being of service to each other.

I’ve been invited to do an abbreviated Conference Report at the Calgary General Service Committee (CGSC) on June 15, 2026.

This weekend we will be travelling to beautiful District 24 (Cranbrook, BC). The fabulous Gratitude Round up is the weekend following and then the Western Canada Regional Forum is in Saskatoon from June 12 – 14th, 2026.

Who owns Alcoholics Anonymous? Answer – We do! All the members and the groups. It has been a rough few years since covid – the GSO reserve fund is down quite a bit. Response is needed from the fellowship to bring us back up to nine to 11 months of operating expenses. In your next splits, please consider sending a little extra to New York. This is easy to do on AA.org or you can mail a cheque to GSO at PO box 459, Grand Central Station, New York, NY 10163 USA (make cheques payable to the General Service Board).

I love and appreciate you all. Have a safe and sober summer.

Yours in love, service and hugs,  
Dave S – (403) 852-7659 [delegate@area78.org](mailto:delegate@area78.org)

# The Sixth Tradition

Problems of money, property, and authority may easily divert us from our primary spiritual aim. We think, therefore, that any considerable property of genuine use to A.A. should be separately incorporated and managed, thus dividing the material from the spiritual. An A.A. group, as such, should never go into business. Secondary aids to A.A., such as clubs or hospitals which require much property or administration, ought to be incorporated and so set apart that, if necessary, they can be freely discarded by the groups. Hence such facilities ought not to use the A.A. name. Their management should be the sole responsibility of those people who financially support them. For clubs, A.A. managers are usually preferred. But hospitals, as well as other places of recuperation, ought to be well outside A.A.- and medically supervised. While an A.A. group may cooperate with anyone, such cooperation ought never go so far as affiliation or endorsement, actual or implied. An A.A. group can bind itself to no one.

AA members employed by outside agencies “wear two hats” - but Tradition Six cautions any such members against wearing both at once! **On the job, they may be alcoholism counselors; they are not “AA counselors.” At meetings they’re just AA’s, not alcoholism experts.**

## Naming an A.A. Group

No matter how noble the activity or institution, experience has taught A.A. groups to carefully avoid any affiliation with or endorsement of any enterprise outside A.A.

**Tradition Six:** *An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.*

Even the appearance of being linked to any organization, club, or political or religious institution needs to be avoided. **Therefore, an A.A. group that meets in a correctional or treatment facility or a church should take care not to use the institution's name, but to call itself something quite different.** This makes it clear that the A.A. group is not affiliated with the hospital, church, prison, treatment facility, or whatever, but simply rents space there for meetings.
