STEP SEVEN

“Were entirely ready to have God remove all these defects of character”

TRADITION SEVEN

“Every A.A. group ought to be fully self-supporting, declining outside contributions.”

CONCEPT SEVEN

“The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness”.

PROMISE SEVEN

“We will lose interest in selfish things and gain interest in our fellows.”

Area 78 – Panel 76 - Delegate's Corner – June 2026

Hello again – my name is Dave S and I am a grateful alcoholic. It was truly a gift to attend the Western Canada Regional Forum in Saskatoon, Saskatoon June 12-14, 2026. I hope every AA member gets to attend one of these magnificent fellowship and service events that happens every second year in Western Canada. These events are hosted by the General Service Office in New York. The next one will be in Area 78 Calgary, Alberta at an undetermined date in 2028.

Summer has begun and it is a time of expanded fellowship opportunities with pig roasts, camp outs, meetings around firepits and small-town roundups that are truly worth travelling to and not to be missed. AA does not take the summer off! We dig in and continue to share our experience, strength and hope with our area detoxes and treatment centres, usually at full capacity. The opportunity for 12 step work never ends.

Please keep up the good work out there my fellows! I have never been more grateful to be a member of Alcoholics Anonymous, witnessing you make a difference in so many lives of still suffering alcoholics who continue to come our way.

Our next big event in Area 78 is the Fall Business Assembly in Edmonton, AB September 25th – 27th, 2026. The poster is now up on area78.org to reserve your rooms. Area 78 will be electing our nominee for the next Canada Trustee at Large at this assembly. There are also several motions coming from you, the membership. These motions are aimed at improving ways that we can carry the message to the still suffering alcoholic.

On a brief sad note – just a few days ago we lost one of our much-loved trusted servants. We send our condolences and prayers to the family of Michelle D.K. – Past Delegate Area 78 - Panel 64.

I first met Michelle in 2012 before I ever had an inkling for serving as a GSR. I had met her many times since. Right until the end she continued to give herself to service in Alcoholics Anonymous, especially in District 24 encompassing the Crowsnest Pass and southeastern BC in Area 78. Michelle will be missed.

Do your best to enjoy the summer – we are not a glum lot! Have some fun.

Yours in love, service and hugs,
Dave S – (403) 852-7659 delegate@area78.org

The Seventh Tradition

Self-Support: Where Money and Spirituality Mix

From its earliest beginnings, A.A. has always incurred expenses — whether it be the cost of a pot of coffee or the price of a place to meet. In the early days, these costs were often absorbed by individual A.A.s or nonalcoholic friends who offered their parlors and living rooms for A.A.s to meet in. However, as A.A. outgrew the generosity of these early friends and members, the Fellowship's need for income became more and more apparent.

Bill W., A.A.'s co-founder, and some of the early A.A. members initially felt the only way for the Fellowship to survive was to solicit financial support from philanthropic institutions or individuals outside A.A. These "high rollers" could then supply the funds the Fellowship would need to carry out the vital Twelfth Step work the early A.A.s envisioned — to bankroll the army of paid missionaries, the chain of A.A. hospitals, and the library of books they were certain to write.

One potential A.A. patron, however, when approached by the pioneering members for money, instead helped to lay the groundwork for A.A.'s Tradition of self-support: "I am afraid that money will spoil this thing," said John D. Rockefeller Jr., while at the same time endorsing the work of the fledgling Fellowship.

This marked a turning point in A.A. history, and, as the reality of Mr. Rockefeller's statement sank in and A.A. members began to see the truth in the old cliché, "Who pays the piper calls the tune," the seed of the Seventh Tradition took root.

Footing the bill

"Now, where do A.A.'s services — worldwide, area, local — fit into our scheme of things?" asked Bill W. in an October 1967 article in the AA Grapevine. "Why should we provide these functions with money?" According to Bill, "The answer is simple enough. Every single A.A. service is designed to make more and better Twelfth Step work possible, whether it be a group meeting place, a central or intergroup office . . . or the world service Headquarters

"Though not costly, these service agencies are absolutely essential to our continued expansion —

to our survival as a Fellowship. Their costs are a collective obligation that rests squarely upon all of us. Our support of services actually amounts to a recognition on our part that A.A. must everywhere function in full strength — and that, under our Tradition of self-support, we are all going to foot the bill."

...

Q Do all groups contribute to A.A.'s service entities?

A No. Contributions are strictly voluntary and some groups simply cannot afford additional contributions after covering their basic needs. Additionally, there are groups who, for whatever reasons, choose not to be a part of the selfsupport network. These groups, nevertheless, will receive basic services from the district, area and intergroup if they wish, and are welcome to list with GSO, where they will receive the same basic services as other groups. In 2023, the percentage of all active groups who contributed to GSB was 31.6%.

Q How much does it cost, per group, for GSO to supply basic services?

A At the end of 2023, the annual cost of services per group was \$162.72 USD, while the average contribution per group was \$140.09 USD. The shortfall between these two figures is made up from income from A.A. publications.

Memories of Alcohol

I drank for happiness and became unhappy.

I drank for joy and became miserable.

I drank for sociability and became argumentative.

I drank for sophisticated and became obnoxious.

I drank for friendship and made enemies.

I drank for sleep and woke up tired.

I drank for strength and felt weak.

I drank for relaxation and got the shakes.

I drank for courage and became afraid.

I drank for confidence and became doubtful.

I drank to make conversation easier and

I slurred my speech. I drank to feel
heavenly and ended up feeling like hell.

Seventh Step Prayer

My Creator,
I am now willing that you should
have all of me, good & bad.
I pray that you now remove
from me every single defect of
character
Which stands in the way of my
usefulness to you & my fellows.
Grant me strength, as I go out
from here to do your bidding.
